IDA, SWEET AS APPLE CIDER - Eddie Munson

4/4 1...2...1234

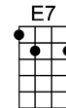

-Eddie Leonard

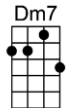

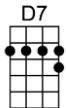

Ida! Sweet as apple cider. Sweeter than all I know

Come out, in the silvery moonlight. Of love we'll whisper, so soft and low!

Seems like I can't live with-out you. Listen, oh honey, do!

Ida! I ido-lize ya. I love you, Ida, 'deed I do.

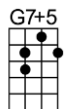

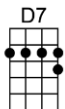

When the moon comes stealing up be-hind the hill

Everything around me seems so calm and still

Save the gentle calling of the whippoorwill

Then I long to hold her little hand in mine

p.2. Ida, Sweet As Apple Cider

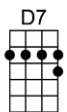

Through the trees the winds are sighing soft and low

Seem to come and whisper that your love is true

Come and be my own now, sweetheart, do, oh do

Then my life will seem almost di-vine
