

# San Francisco Bay Blues Jesse Fuller

I got the blues from my baby livin' by the San Francisco Bay

The ocean liner's gone so far away

I didn't mean to treat her so bad, she was the best girl I ever had

Said goodbye, she like to make me cry, wanna lay down and die

I haven't got a nickel and I ain't got a lousy dime

She don't come back, think I'm gonna lose my mind

If she ever comes back to stay, it's gonna be another brand new day

Walkin' with my baby down by the San Francisco Bay

Sittin' down looking from my back door, wonderin' which way to go

Woman I'm so crazy about....she don't love me no more

Think I'll catch me a freight train....cuz I'm feel -- in' blue

Ride all the way to the end of the line....thinkin' only of you

Meanwhile livin' in the city....just about to go insane

Since my baby left me, I wish she would call my name

If she ever comes back to stay, it's gonna be another brand new day

Walkin' with my baby down by the San Francisco Bay,

Walkin' with my baby down by the San Francisco Bay hey, hey, hey

Yeah walkin' with my baby down by the San Francisco Bay
