

Then I Kissed Her (v1.5) – The Crystals (1963), The Beach Boys (1965)

Intro: G - Gsus4-G- (x6)

Chords

Well I walked up to her and I asked her if she wanted to dance
 She looked awful nice and so I hoped she might take a chance
 - When we danced I held her tight - then I walked her home that night
 And all the stars were shining bright and then I kissed her
 Each time I saw her I couldn't wait to see her aga-ain
 I wanted - to let her know that I was more than a frie-end
 - I didn't know just what to do - So I whispered I love you
 And she said that she loved me too and then I kissed her

I kissed her in a way that I'd never kissed a girl before
 I kissed her in a way that I hoped she'd like for evermore

Bridge

I knew that she was mine so I gave her all the love that I ha-ad
 Then one day she'll take me home to meet her mum and her da-ad
 - Then I asked her to be my bride - and always be right by my side
 I felt so happy that I almost cried and then I kissed her
