

SHE DIDN'T SAY YES, SHE DIDN'T SAY NO

4/4 1...2...1234

-Jerome Kern/Otto Harbach

p.2. She Didn't Say Yes, She Didn't Say No

She didn't say yes, she didn't say no. She wanted to stay, but knew she should go
She didn't say yes, she didn't say no, for heaven was near, she wanted it so

She wasn't so sure that he'd be good, she wasn't even sure that she'd be good
A-bove her sweet love was beckon---ing, and yet she knew there'd be a reck-on-ing

She wanted to rest, all cuddled and pressed, a palpable part of somebody's heart
She wanted to climb, but dreaded to fall, so bided her time, and clung to the wall

She'd love to be on rap-port with him, but not be-hind a bolted door with him
She wanted to act ad libi - tum, but feared to lose her equi-libri - um

1. And what did she do? I leave it to you. She did just what you'd do too (4th verse) X2

2. So what did she do? I leave it to you. She did.....just what you'd...do too
