

Miss Me When I'm Gone

Ben Vaughn

I'm gonna miss me when I'm gone. Gonna miss the way we got along
 Me and myself through right and wrong. I'm gonna miss me when I'm gone

I'm gonna miss me when I die. When I'm called up to the by and by
 I'll miss the flowers and the trees. But most of all I'm gonna miss me

I'm the best friend I ever had. I know to you that might seem sad
 But over here it ain't no joke I'm gonna miss me when I croak

When everything is said and done I'll miss the world and all its fun
 I'll miss the things I used to do. And I might even miss you too

<Instrumental Verse> <Bridge>

I'm gonna miss me when I go Gonna miss the sunshine, rain, and snow
 And I'll miss me singin' this song About missin' me when I'm gone

<Repeat first verse>
