This happened once be-fore when I came to your door, no re-ply

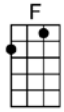

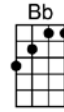

They said it wasn't you, but I saw you peep through your window

I saw the light, I saw the light, I know that you saw me, 'cause I looked up to see your face

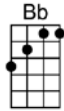

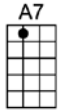

I tried to tele-phone, they said you were not home, that's a lie

'Cause I know where you've been, I saw you walk in your door

I nearly died, I nearly died, 'cause you walked hand in hand with another man in my place

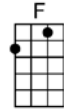

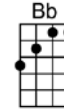

If I were you I'd realize that I love you more than any other guy

And I'll for-give the lies that I heard be-fore when you gave me no re-ply

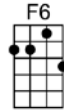

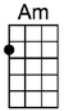

I tried to tele-phone, they said you were not home, that's a lie

'Cause I know where you've been, I saw you walk in your door

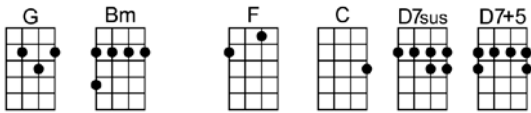

I nearly died, I nearly died, 'cause you walked hand in hand with another man in my place

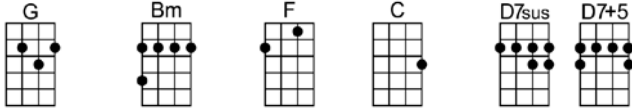

No re-ply, no re-ply

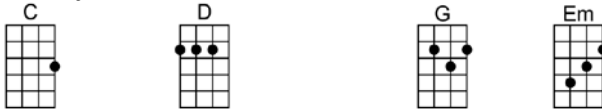

# IT'S ONLY LOVE-Beatles

I get high when I see you go by, my oh my.

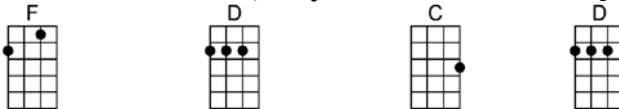

When you sigh my, mind in-side just flies, butterflies.

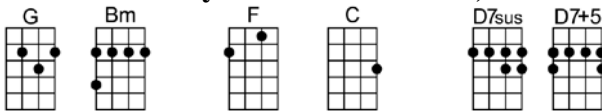

Why am I so shy when I'm be-side you?

It's only love and that is all, why should I feel the way I do?

It's only love and that is all, but it's so hard loving you

Is it right that you and I should fight, every night?

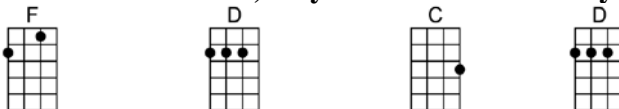

Just the sight of you makes nighttime bright, very bright.

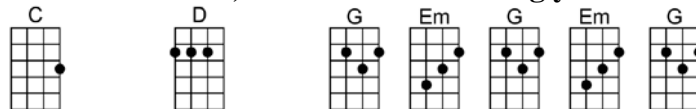

Haven't I the right to make it up, girl?

It's only love and that is all, why should I feel the way I do?

It's only love and that is all, but it's so hard loving you

Yes it's so hard loving you, loving you
