SAY MAYBE-Neil Diamond

4/4 1...2...1234

Intro: | | | | | | |

| | |

Why

make me plead

for what I... need?

And I need you.

| |

Why,

why make me weep,

cry in my sleep,

'Cause I need you

Refrain:

|

Say "maybe." Won't you even say "sometime", baby

Won't you ever say lovin' words a-gain

|

Say, baby, don't you know I'm a fool about you

If I tried, I could live without you, for maybe a day

| |

I,

I've been a-round,

finally found

That I need you

p.2. Say Maybe

           

And I, I know what I got, and I got a lot,

   

But, baby, I need you

REFRAIN

Ooh, what I'd do. Say "maybe," baby,

'Cause I need you

Say, can I stay? Say "maybe," baby, yeah,

'Cause I need you

Say "maybe." Won't you even say "sometime", baby

Won't you ever say lovin' words a-gain

Say, baby, don't you know I'm a fool about you

If I tried, I could live without you, for maybe a day. Please say "maybe" to-day!
