

# LOLA O'BRIEN THE IRISH HAWAIIAN

4/4

-Weldon/Whiting/Cavanaugh

Intro: chord

Verse:

On an island where they do the hula, J. Patrick O'Brien met a pretty Ha-waiian

They were married there in Hono-lulu. They have a col-leen, she's now seven-teen

Lola O'Brien, the Irish Hawaiian, with a blarney in her smile, that'll get to you after a while, and say

She does the hula, without even tryin', with a shimmy on her hips and a quiver on her lips..hoo-ray

She sings a-loha, and a-loha means goodbye,

But she'll never need those magical blues (Hawaiian style)

Oh, Lola O'Brien, the Irish Hawaiian, will be making plenty poi for a lucky laddie boy some-day
