**Intro:** | | | | | | | | | | |

'Twas just a garden in the rain

Close to a little leafy lane

A touch of color 'neath skies of gray

The raindrops kissed the flower beds

The blos - soms raised their thirsty heads

A perfumed "Thank you" they seemed to say

Surely here was charm be-yond com - pare to view

Maybe it was just that I was there with you

## p.2. Garden In the Rain

'Twas just a garden in the rain

But then the sun came out a-gain

And sent us happily on our way

### Interlude: Chords of previous 3 lines

'Twas just a garden in the rain

But then the sun came out a-gain

And sent us happily on our way
