

FEEL LIKE MAKIN' LOVE - Eugene McDaniels

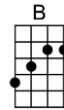

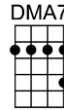

4/4 1...2...1234

Strollin' in the park,

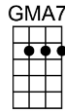

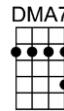

watchin' winter turn to spring

Walkin' in the dark,

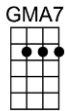

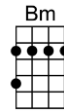

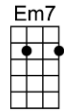

seein' lovers do their thing

Oo-oo-ohh, that's the time

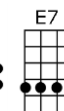

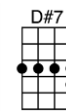

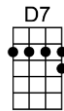

I feel like makin' love to you

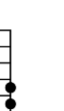

That's the time

I feel like makin' dreams come true,

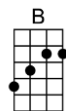

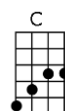

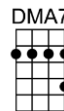

oh, baby

When you talk to me,

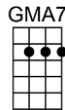

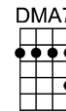

when you're moanin' sweet and low

When you're touchin' me,

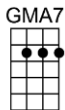

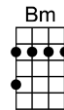

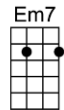

and my feelin's start to show

Oo-oo-ohh, that's the time

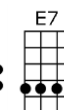

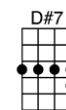

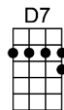

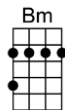

I feel like makin' love to you

That's the time

I feel like makin' dreams come true,

oh, baby

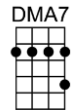

p.2. Feel Like Makin' Love

In a restaurant,

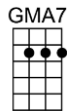

holdin' hands by candle-light

While I'm touchin' you,

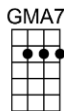

wanting you with all my might

Oo-oo-ohh, that's the time

I feel like makin' love to you

That's the time

I feel like makin' dreams come true, oh,

baby

Strollin' in the park,

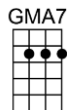

watchin' winter turn to spring

Walkin' in the dark,

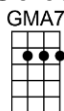

seein' lovers do their thing

Oo-oo-ohh, that's the time

I feel like makin' love to you

That's the time

I feel like makin' dreams come true, oh,

baby!
