

ONLY IN AMERICA - Brooks/Cook/Rogers

4/4 1...2...1234

Intro: |  |  |  |  | (X2)

Sun comin' up

over New York City, school bus driver,

in a traffic jam

Starin' at the faces in her rearview mirror, lookin' at the promise of the Promised Land

One kid dreams

of fame and fortune,

one kid helps pay the rent

One could end up goin' to prison,

one just might be presi-dent

Only in Ameri-ca, dreamin' in red, white and blue

Only in Ameri-ca, where we dream as big as we want to

We all get a chance,

everybody gets to dance,

only in Ameri-ca

Sun going down

on an L.A. freeway,

newlyweds in the back of a limou-sine

A welder's son and a banker's daughter,

all they want is every-thing

p.2. Only In America

She came out here to be an actress.

He was the singer in a band

They just might go back to Okla-homa, and talk about the stars they could have been

Only in Ameri-ca, dreamin' in red, white and blue

Only in Ameri-ca, where we dream as big as we want to

We all get a chance, everybody gets to dance, only in Ameri-ca

Interlude:

O.....nly in Ameri-ca, where we dream in red, white and blue

Only in Ameri-ca, where we dream as big as we want to

We all get a chance, everybody gets to dance, only in Ameri-ca

Yeah, only in A-meri - ca
