

HURRY SUNDOWN - Yip Harburg/Earl Robinson

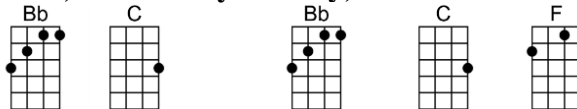

4/4 1234 1 (without intro)

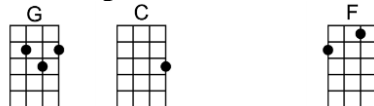

My seed is sown now, my field is plowed. My flesh is bone now, my back is bowed.

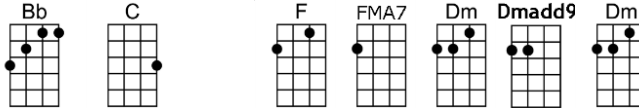

So hurry, sun - down, be on your way,

And hurry me a sun-up from this beat-up sundown day.

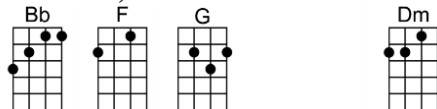

Hurry down, sundown, be on your way.

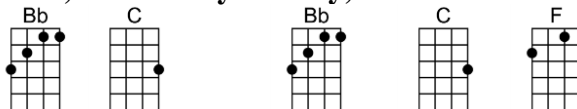

Weave me to-morrow out of to-day.

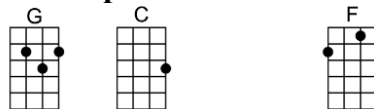

To-morrow's breeze now, blows clear and loud. I'm off my knees now, I'm standing proud.

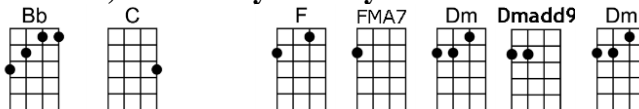

So hurry, sun - down, be on your way,

And hurry me a sun-up from this beat-up sundown day.

Hurry down, sundown, be on your way.

Weave me to-morrow out of to-day.
