

WHAT'S FOREVER FOR-Rafe Van Hoy

4/4 1...2...1234

Intro: |   |   | (X2)

I've been lookin' at people, and how they change with the times

And lately all I've been seein' are people throwin' love away, and losin' their minds

Maybe it's me who's gone crazy, but I can't understand why

All these lovers keep hurtin' each other, when good love is so hard to come by

       

So, what's the glory in living? Doesn't anybody ever stay to-gether any-more?

And if love never lasts for-ever, tell me what's for-ever for?

p.2. What's Forever For

And I see love-hungry people

tryin' their best to sur-vive

When right there in their hands is a dying ro-mance, and they're not even tryin' to keep it a-live

So, what's the glory in living?

Doesn't anybody ever stay to-gether any-more?

And if love never

lasts for-ever, tell me

what's for-ever

for?

So, what's the glory in living?

Doesn't anybody ever stay to-gether any-more?

And if love never

lasts for-ever, tell me

what's for-e - ver

for?
