Intro:  (4 measures)

   
Happiness is, happiness is, happiness is different things to different people

 
That's what happiness is

   
To the preacher it's a prayer, prayer, prayer. To the Beatles it's a "Yeah, Yeah, Yeah"

      
To the golfer it's a hole in one. To the father it's a brand new son

   
Happiness is, happiness is, happiness is different things to different people

 
That's what happiness is

   
To the beatnik it's his beard, beard, beard. To the monster something weird, weird, weird

      
To a night owl it's a good day's sleep. To the Yankees it's a four game sweep

   
Happiness is, happiness is, happiness is different things to different people

 
That's what happiness is

p.2. Happiness Is

On the desert it's a drink, drink. To the show girl it's a mink, mink, mink

To the banker lots and lots of dough. To a racer, it's a GTO, oh!

To a sailor it's the sea, sea, sea. To my mother why, it's me, me, me

To the birdies it's the sky above. But, to my mind, it's the one I love

Happiness is, happiness is, happiness is

different things to different people

That's what happiness is. That's....what....happiness...is
