

Viagra

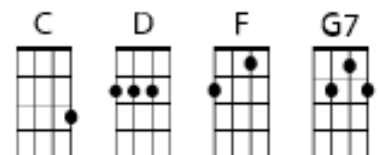

Paul Thorn

There was a time when I could make love all night long
Like a big rooster in the barnyard I felt strong
But now my private part needs an emergency jump start
I'm gonna go to Viagra before it falls

My wife put on a sexy negligee
But I just had to turn the other way
She's so full of frustration 'cause I can't rise to the occasion
I'm gonna go to Viagra before it falls

I know I'm not the man I used to be
This sudden lack of manly prowess is killin' my self esteem
Lord I feel like such a failure with my broke down genitalia
I'm gonna go to Viagra before it falls

I know a man who is 96 years old
He poured Viagra in his Jello bowl
Now the old women won't leave him alone
He's the king of the nursing home
I'm gonna go to Viagra before it falls
