

JUST WHEN I NEEDED YOU MOST

4/4 1...2...1234 -Randy VanWarmer/Tony Wilson

Intro: |  |  |  |  | (X2)

 You packed in the morning, I  stared out the window, and I  struggled for something to say 

 You left in the rain, without closing the door.  I didn't stand in your way   

 Now I miss you more than I  missed you before, and now  where I'll find comfort, God knows 

 Now I miss you more than I  missed you before, and now  where I'll find comfort, God knows 

 'Cause you  left me, just when I needed you most. 

 Left me, just when I needed you most   

 Now most every morning, I  stare out the window, and I  think about where you might be 

 I've written you letters that I'd like to send, if you would just send one to me    

 'Cause I need you more than I  needed before, and now  where I'll find comfort, God knows 

 'Cause I need you more than I  needed before, and now  where I'll find comfort, God knows 

p.2. Just When I Needed You Most

'Cause you left me, just when I needed you most.

Left me, just when I needed you most

Interlude: First 4 lines (don't play the final C7)

You packed in the morning, I stared out the window, and I struggled for something to say

You left in the rain, without closing the door. I didn't stand in your way

Now I love you more than I loved you before, and now where I'll find comfort, God knows

'Cause you left me, just when I needed you most. Oh, yeah,

You left me just when I needed you most

You left me just when I needed you most
