

I'm Still Standing Elton John, Bernie Taupin

Am Dm E7 E7// F/ G/ <2x> A D
 You could never know what it's like
 E A
 Your blood like winter freezes just like ice
 Bm7 D// E//
 And there's a cold lonely light that shines from you
 F#m D Bm// A// A
 You'll wind up like the wreck you hide behind that mask you use
 A D
 And did you think this fool could never win
 E A
 Well look at me, I'm coming back again
 Bm7 D// E//
 I got a taste of love in a simple way
 F#m D Bm// A// A
 And if you need to know while I'm still standing you just fade away

Am7 Am Em7 Em7
 Don't you know I'm still standing better than I ever did
 Dm Dm F G
 Looking like a true survivor feeling like a little kid
 Am7 Am Em7 Em7
 I'm still standing after all this time
 Dm Dm E7 E7
 Picking up the pieces of my life without you on my mind
 Am Dm E7 E7
 I'm still standing yeah yeah yeah
 Am Dm E7 F// G//
 I'm still standing yeah yeah yeah

A D
 Once I never could hope to win
 E A
 You starting down the road leaving me again
 Bm7 D// E//
 The threats you made were meant to cut me down
 F#m D Bm// A// A
 And if our love was just a circus you'd be a clown by now

<Chorus>
