AUTUMN IN NEW YORK-Vernon Duke

4/4 1...2...1234

Autumn in New York, why does it seem so in-viting?

Autumn in New York, it spells the thrill of first-nighting.

Glittering crowds and shimmering clouds in canyons of steel

They're making me feel: I'm home.

It's autumn in New York that brings the promise of new love.

Autumn in New York is often mingled with pain.

Dreamers with empty hands they sigh for exotic lands

It's autumn in New York. It's good to live it a-gain.
