You know there's a light that glows by the front door
Don't forget the key's under the mat
When childhood stars shine, always stay humble and kind
Go to church 'cause your momma says to
Visit grandpa every chance that you can
It won't be wasted time. Always stay humble and kind

Hold the door say "please," say "thank you"
Don't steal, don't cheat, and don't lie
I know you got mountains to climb but always stay humble and kind
When the dreams you're dreamin' come to you
When the work you put in is realized
Let yourself feel the pride but always stay humble and kind

C Don't expect a free ride from no one
Am7 Don't hold a grudge or a chip and here's why
F-C Bitterness keeps you from flying, always stay humble and kind

C Know the difference between sleeping with someone
Am7 And sleeping with someone you love
F-C "I love you" ain't no pick up line so always stay humble and kind

<Chorus>

C When it's hot, eat a root beer popsicle
Am7 Shut off the AC and roll the windows down
F-C Let that summer sun shine, always stay humble and kind
C Don't take for granted the love this life gives you
Am7 When you get where you're goin' don't forget turn back around
F-C Help the next one in line, always stay humble and kind
