# HELPLESSLY HOPING-Stephen Stills

4/4 1...2...1234

**Intro: Dm F C G (8 beats each)**

**Dm F C G**  
Helplessly hoping her harlequin hovers near-by, awaiting a word

**Dm F C G**  
Gasping at glimpses of gentle true spirit, he runs, wishing he could fly

**Dm F C G**  
Only to trip at the sound of good-bye

**Dm F C G**  
Wordlessly watching, he waits by the window and wonders at the empty place in-side

**Dm F C**  
Heartlessly helping him-self to her bad dreams, he worries,

**G Dm F C Csus**  
Did he hear a good-bye, or even hel-lo?

**C**  
They are one person, they are two alone

**Bb F C Csus C**  
They are three together, they are for each other

**Dm F C G**  
Stand by the stairway, you'll see something certain to tell you confusion has its cost

**Dm F C**  
Love isn't lying, it's loose in a lady who lingers,

**G Dm F C Csus**  
Saying she is lost, and choking on hel-lo

**C**  
They are one person, they are two alone

**Bb F C Csus C**  
They are three together, they are for each other
