

# MEET ME AT NO SPECIAL PLACE - J.R. Robinson

4/4 1...2...1234

-H. Pyle/A. Terker

Baby, we two can't get along. I'm never right, you're never wrong

So, meet me at no special place, and I'll be there at no par-ticu - lar time

Baby, it just ain't common sense, mixin' up love with arguments

So, meet me at no special place, and I'll be there at no par-ticu - lar time

I'm all fed up with stormy weather. I'm goin' where it's June

Here's hopin' I see you never, 'cause if I do, that will be too soon

Now that I've put my heart on ice, missin' you will seem paradise

So, meet me at no special place, and I'll be there at no par-ticu - lar time

## p.2. Meet Me At No Special Place

### Interlude: 3rd and 4th lines

You'd better bring a-long your glasses, in case I'm hard to find

You'll wish you could see be-fore you, as clearly as you can see behind

You can turn back in retro-spect, of the times you stuck out your neck

So, meet me at no special place, and I'll be there at no par-ticu - lar time

Well, all we do is make up, then quarrel all over again

But this is it, the breakup, from now on, you knew me when

So, meet me at no special place, and I'll be there at no par-ticu - lar time
