

# YOU BELONG TO THE CITY - Glenn Frey/Jack Tempchin

4/4 1...2...1234

**Intro: Em Em C Em C**  
8 8 8 8 8

**Em Am**  
The sun goes down, the night rolls in. You can feel it startin' all over again

**Em Am**  
The moon comes up, and the music calls. You're gettin' tired of starin' at the same four walls

**Em Am**  
You're out of your room, and down on the street, movin' through the crowd in the midnight heat

**Em Am**  
The traffic roars, and the sirens scream. You look at the faces, it's just like a dream

**C B7 C B7**  
Nobody knows where you're goin'. Nobody cares where you've been

**Em C**  
'Cause you belong to the city. You belong to the night

**Am Em**  
Livin' in a river of darkness, beneath the neon light

**Em C**  
You were born in the city, concrete under your feet

**Am Em**  
It's in your moves, it's in your blood. You're a man of the street

**Interlude: Em C Am Em**

**Em Am**  
When you said goodbye, you were on the run, tryin' to get away from the things you've done

**Em Am**  
Now you're back again, and you're feelin' strange. So much has happened, but nothin' has changed

**C B7 C B7**  
You still don't know where you're goin', you're still just a face in the crowd
