HOW WONDERFUL YOU ARE-Gordon Haskell

4/4 1...2...1234

I go out most nights, attracted by the lights, listen to the jazz in Harry's bar

And I know it won't be long be-fore they play that song

"Do you know how wonderful you are?"

It's a sentimental sound, makes me want to fool a-round

With some-body who is wishing on a star

I'll pull my hat down low, go up and say hel-lo. Do you know how wonderful you are?

Always struggled with the art of conver-sation

And there'll be those for whom this song has no ap-peal

But I know it works for me, and I'm sure you will a-gree

That it illustrates ex-actly how I feel

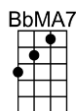

Things can happen fast. Some things are built to last

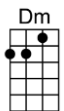

I've seen it all go down in Harry's bar

p.2. How Wonderful You Are

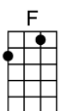

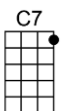

Though we've only just be-gun, this show will run and run

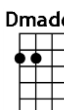

Do you know how wonderful you are?

Interlude: First 2 lines, then

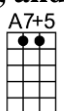

I always struggled with the art of conver-sation

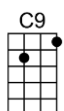

And there'll be those for whom this song has no ap-peal

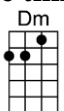

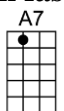

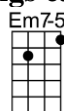

But I know it works for me, and I'm sure you will a-gree

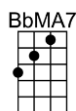

That it illustrates ex-actly how I feel

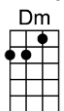

Things can happen fast. Some things are built to last

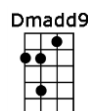

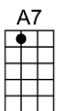

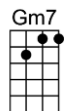

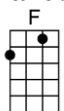

I've seen it all go down in Harry's bar

Though we've only just be-gun, this show will run and run

Do you know how wonderful you are?

Do you know how wonderful you are?

Do you know how wonder-ful you are?
