

ANY DAY NOW -Burt Bacharach/Bob Hilliard

4/4 1...2...123

Intro:  (7 beats)

Any day now, I will hear you say, "Goodbye, my love." And you'll be on your way

Then, my wild beautiful bird, you will have flown, Oh...

Any day now, I'll be all a-lone O - oh

Any day now, when your restless eyes meet someone new, to my sad sur-prise

Then the blue shadow will fall all over town, Oh...

Any day now, love will let me down O - oh

Interlude: (

p.2. Any Day Now

Then, my wild beautiful bird, you will have flown, Oh...

Any day now, I'll be all a-lone

I know I shouldn't want to keep you, if you don't want to stay,

Until you've gone for-ever, I'll be holding on for dear life

Holding you this way, begging you to stay

Any day now, when the clock strikes go, you'll call it off. And then my tears will flow

Then the blue shadow will fall all over town, Oh...

Any day now, love will let me down, 'cause you won't be a-round

Don't fly a-way, my beautiful bird! Don't fly a-way, my beautiful bird!
