

One Headlight Jakob Dylan (The Wallflowers)

F C
So long ago, I don't remember when
E7 Am// C//

That's when they say I lost my only friend
Well they said she died easy of a broken heart disease
As I listened through the cemetery trees
I seen the sun comin' up at the funeral at dawn
The long broken arm of human law
Now it always seemed such a waste, she always had a pretty face
So I wondered why she hung around this place

The chord pattern for the verses never changes:

F C E7 Am// C//

F F E7 E7 F C
Hey-ey-ey, come on try a little nothing is forever
Dm7 G
There's got to be something better than in the middle
F C
Me and Cinderella put it all together
Dm7 G G7sus F C E7 Am// C//
We can drive it home with one headlight

F C
She said it's cold it feels like Independence Day
E7 Am// C//
And I can't break away from this parade
But there's got to be an opening somewhere here in front of me
Through this maze of ugliness and greed
And I seen the sign up ahead at the county line bridge
Sayin', 'All is good and nothingness is dead'
Run until she's out of breath she ran until there's nothin' left
She hit the end, it's just her window ledge **<Chorus>**

F C
Well this place is old, feels just like a beat up truck
E7 Am// C//
I turn the engine, but the engine doesn't turn
It smells of cheap wine, cigarettes, this place is always such a mess
Sometimes I think I'd like to watch it burn
I'm so alone and I feel just like somebody else
Man, I ain't changed, but I know I ain't the same
But somewhere here in between the city walls of dyin' dreams
I think of death, it must be killin' me **<Chorus>**
