

Did She Mention My Name?

Gordon Lightfoot

G G C Am
 It's so nice to meet an old friend and pass the time of day
 D D D G
 And talk about the home town a million miles away
 G G C Am
 Is the ice still on the river, are the old folks still the same
 D D D G
 And by the way did she mention my name

C D G G
 Did she mention my name just in passing
 G Em A7 A7 D D
 And when the morning came, do you remember if she dropped a name or two
 G G C Am
 Is the home team still on fire, do they still win all the games
 D D D G G
 And by the way did she mention my name

G G C Am
 Is the landlord still a loser, do his signs hang in the hall
 D D D G
 Are the young girls still as pretty in the city in the fall
 G G C Am
 Does the laughter on their faces still put the sun to shame
 D D D G
 And by the way did she mention my name

C D G G
 Did she mention my name just in passing
 G Em A7 A7 D D
 And when the talk ran high, did the look in her eye seem far away
 G G C Am
 Is the old roof still leaking when the late snow turns to rain
 D D D G G
 And by the way did she mention my name

<Instrumental verse>

C D G G
 Did she mention my name just in passing
 G Em A7 A7 D D
 And looking at the rain, do you remember if she dropped a name or two
 G G C Am
 Won't you say hello from someone, they'll be no need to explain
 D D D D G
 And by the way did she men - tion my name
