

RIGHT TIME OF THE NIGHT - Peter James McCann

4/4 1...2...1234

Intro: |   |   |   |   |

Sun goes down on a silky day, quarter moon walkin' through the Milky Way

Oh, you and me, baby, we could think of something to do

It's the right time of the night. The stars are winkin' a-bove

It's the right time of the night for makin' love

No use talkin' when the shadows fall. Nightbird's callin' and he says it all

Oh, you and me, baby, we could think of something to do

       

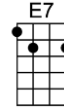

It's the right time of the night. The stars are winkin' a-bove

       

It's the right time of the night for makin' love

p.2. Right Time of the Night

I've got you, you've got me. Tell you, that's the way my mama always said it should be

I'll be cruel, you be kind, we'll be bad, if you don't mind

It's the right time of the night.

The stars are winkin' a-bove

It's the right time of the night for makin' love

It's the right time of the night.

The stars are winkin' a-bove

It's the right time of the night for makin' love

(Repeat last 2 lines, fading)
