Wouldn't you like to ride in my beautiful balloon?

 
Wouldn't you like to ride in my beautiful balloon?

      
We could float among the stars together, you and I, for we can fly, we can fly

        
Up, up and away, in my beautiful, my beautiful bal-loon

 
The world's a nicer place in my beautiful balloon

 
It wears a nicer face in my beautiful balloon

      
We can sing a song and sail along the silver sky, for we can fly, we can fly

        
Up, up and away, in my beautiful, my beautiful bal-loon

p.2. Up, Up and Away

Suspended under the twilight canopy,

we'll search the clouds for a star to guide us

If, by some chance, you find yourself loving me

We'll find a cloud to hide us, we'll keep the moon be-side us

Love is waiting there in my beautiful balloon

Way up in the air in my beautiful balloon

If you'll hold my hand we'll chase your dream a-cross the sky, for we can fly we can fly

Up, up and away, in my beautiful, my beautiful bal-loon

Up, up, and a-way!

Up, up, and a-way!
