

Father and Son

Intro RIFF: (X4)

– Cat Stevens (1970)

Chords

Father

It's not time to make a change, just relax and take it easy
 You're still young, that's your fault, there's so much you have to know
 Find a girl, settle down, if you want, you can marry
 Look at me, I am old, but I'm happy

I was once like you are now, and I know that it's not easy
 to be calm, when you've found something going on
 But take your time, think a lot .. why, think of everything you've got
 For you will still be here tomorrow, but your dreams-may-not

Son

How can I try to explain? When I do he turns away again
 It's always been the same, same old story
 From the moment I could talk, I was ordered to listen
 Now there's a way and I know that I have to go away
 I know I have to go

Father

It's not time to make a change, just sit down, and take it slowly
 You're still young that's your fault, there's so much you have to go through
 Find a girl, settle down, if you want, you can marry
 Look at me, I am old, but I'm happy

Son

All the times that I cried, keeping all the things I knew inside
 It's ha-a-ard, but it's harder to ignore it
 If they were right, I'd agree, but it's them they know, not me
 Now there's a way, and I know that I have to go away
 I know I have to go
