

ALL MY TOMORROWS- James Van Heusen, Sammy Cahn

4/4 1...2...1234

Today, I may not have a thing at all,

ex-cept for just a dream or two

But I've got lots of plans for to-morrow, and all my to-morrows be-long to you

Right now, it may not seem like spring at all,

we're drifting, and the laughs are few

But I've got rainbows planned for to-morrow, and all my to-morrows be-long to you

No one knows better than I that luck keeps passing me by ... that's fate

But with you there by my side, I'll soon be turning that tide ... just wait

p.2. All My Tomorrows

As long as I've got arms that cling at all, it's you I'll be clinging to

And all the dreams I dream, beg, or borrow

On some bright to-morrow will all come true

And all my bright tomorrows be-long to you

And all my bright tomorrows be-long to you

ALL MY TOMORROWS- James Van Heusen, Sammy Cahn
