

TWILIGHT TIME

4/4 1...2...1234

Heavenly shades of night are falling, it's twilight time

Out of the mist your voice is calling, it's twilight time

When purple colored curtains mark the end of the day

I hear you, my dear, at twilight time

Deepening shadows gather splendor, as day is done

Fingers of night will soon surrender, the setting sun

I count the moments darling till you're here with me

To-gether at last at twilight time

p.2 Twilight Time

Here in the after-glow of day we keep our rendez-vous be - neath the blue

Here in the sweet and same old way, I fall in love a-gain as I did then

Deep in the dark your kiss will thrill me, like days of old

Lighting the spark of love that fills me with dreams untold

Each day I pray for evening just to be with you

To-gether at last at twilight time

To-gether at last at twilight time
