p.2. I Like Dreamin'

When the lights go down,

I'm holding you so tight.

Got you in my arms, and it's paradise 'til the mornin' light.

Through each dream, how our love has grown.

I see us with our children and our happy home.

Little smiles, so warm and tender looking up at us.

Blessed by love, the world we shared, till I wake, I reach for you, and you're just not there.

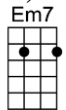

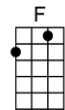

I like dreamin'

'cause dreamin' can make you mine.

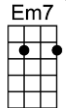

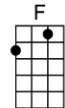

I like holdin' you close, and touchin' your skin, even if it's in my mind.

When the lights go down,

I'm holding you so tight.

Got you in my arms, and it's paradise 'til the mornin' light.

I like dreamin'
