

Kodachrome

Paul Simon

When I think back on all the crap I learned in high school
 It's a wonder I can think at all And though my
 Lack of education hasn't hurt me none
 I can read the writing on the wall

There are only 12 beats in this line. Go right on to the chorus after the D chord.

Kodachro - o - ome, you give us those nice bright colors
 You give us the greens of summers
 Makes you think all the world's a sunny day oh yeah!
 I got a Nikon camera, I love to take a photograph
 So Mama, don't take my Kodachrome away

If you took all the girls I knew when I was single
 And brought them all together for one night I know they'd
 Never match my sweet imagination
 Everything looks worse in black and white

"Day oh yeah" : Hold each single down strum for 2 beats. Then a 2 beat tacet while singing "I got a"

<Chorus>

Mama, don't take my Kodachrome away **<3 times>**

Mama, don't take my Kodachrome. Mama, don't take my Kodachrome. Mama, don't take my Kodachrome away
 Mama, don't take my Kodachrome. Leave your boy so far from home . Mama, don't take my Kodachrome away
