

I Saw Her Standing There

Lennon and McCartney

Well she was just seventeen and you know what I mean
And the way she looked was way beyond compare
So how could I dance with another, oh,
when I saw her standing there

Well she looked at me and I, I could see
That before too long I'd fall in love with her
She wouldn't dance with another, oh
When I saw her standing there

This song peaked at #14 and was already down to #31 on April 4th 1964 when the Beatles held the top five spots along with #31, #41, #46, #58, #65, #68, and #79. This kind of chart dominance has never been duplicated. But...in 2005 with a much more diverse music scene than the Top-40 AM Radio of the 60s, rapper 50 Cent held three of the top six chart positions.

Well my heart went boom when I crossed that room
and I held her hand in mine

Well we danced through the night and we held each other tight
And before too long I fell in love with her
Now I'll never dance with another, oh
Since I saw her standing there
