

I FEEL A SONG COMING ON

Intro:

I feel a song coming on, and I'm warning you

It's a vic-torious, happy and glorious new strain

I feel a song coming on, it's a melody

Full of the laughter of children out after the rain

You'll hear a tuneful story ringing through you, love and glory, halle - lujah

Now that my troubles are gone

Let those heavenly drums go on drumming, 'cause I feel a song coming on

IT'S A GOOD DAY

Yes, it's a good day for singing a song, and it's a good day for moving along

Yes, it's a good day, how could anything go wrong? A good day from mornin' till night

Yes, it's a good day for shining your shoes, and it's a good day for losin' the blues;

Every-thing to gain and nothing' to lose, 'cause it's a good day from mornin' till night

I said to the Sun, " Good morning sun, rise and shine to-day"

You know you've gotta get goin', if you're gonna make a showin'

And you know you've got the right of way.

'Cause it's a good day for paying your bills, and it's a good day for curing your ills,

So take a deep breath and throw away your pills, 'cause it's a good day from mornin' till night.

Yes, it's a good day from mornin' till night, yes, it's a good day from mornin' till night

Yes, it's a good..... day... from... mornin'.... till... night

HAPPY DAYS ARE HERE AGAIN

Happy days are here again, the skies above are clear a-gain

So let's sing a song of cheer a-gain, happy days are here a-gain

Altogether, shout it now, there's no one who can doubt it now

So let's tell the world a-bout it now, happy days are here a-gain

Your cares and troubles are gone, there'll be no more from now on, from now on

Happy days are here a-gain, the skies above are clear again

So let's sing a song of cheer a-gain, happy days are here a-gain

repeat line then

-gain
