

ALL I EVER NEED IS YOU - Jimmy Holiday/Eddie Reeves

4/4 1...2...1234

Intro: |  |    | (X2)

 Sometimes when I'm down and all a-lone,   just like a child without a home 

 The love you give me keeps me hangin' on, honey,    all I ever need is you 

 You're my first love, you're my last.   You're my future, you're my past 

 And, loving you is all I ask, honey,     all I ever need is you  

 Winters come and they go,   and we watch the melting snow 

 Sure as summer follows spring,    all the things you do 

 Give me a reason to build my world around you    

p.2. All I Ever Need Is You

Some men follow rainbows I am told. Some men search for silver, some for gold

I have found my treasure in your soul, honey. All I ever need is you

Without love, I'd never find the way through ups and downs of every single day

I won't sleep at night until you say, my honey, all I ever need is you

Outro: Start song, and fade, singing "Da-da-da...."
