

He Ain't Heavy, He's My Brother

Bob Russell, Bobby Scott

Harmonica Solo intro: D A G A7

The road is long with many a winding turn
That leads us to who knows where, who knows where
But I'm strong strong enough to carry him
He ain't heavy he's my brother

So on we go his welfare is my concern
No burden is he to bear, we'll get there
For I know he would not encumber me
He ain't heavy, he's my brother

If I'm laden at all I'm laden with sadness
That everyone's heart isn't filled with the gladness
Of love for one another

It's a long, long road from which there is no return
While we're on the way to there, why not share
And the load doesn't weigh me down at all
He ain't heavy, he's my brother

Harmonica solo 2: A G Em7// A// Bm C Em7 A// A7//

He's my brother he ain't heavy
He ain't heavy he's my brother

The harmonica solo is the first two lines of the verse, except that the final D of the prior verse overlaps with the first D of the solo.
