REMEMBER (CHRISTMAS)-Harry Nilsson

4/4

Long ago, far away, life was clear. Close your eyes

Interlude: (X2)

Re-member, is a place from long a-go. Re-member, filled with everything you know

Re-member, when you're sad and feelin' down. Re-member, turn a-round

Re-member, life is just a memo-ry. Re-member, close your eyes and you can see

Re-member, think of all that life can be. Re-member

Dream, love is only in a dream, re-member

Re-member, life is never as it seems. Dream

p.2. Remember (Christmas)

Interlude:

Dream, love is only in a dream, re-member

Re-member, life is never as it seems. Dream

Long ago, far away, life was clear. Close your eyes
