

# STARS FELL ON ALABAMA

4/4 1...2...1234

## Intro:

Moonlight and mag-nol - ias, starlight in your hair, all the world a dream come true

Did it really hap - pen, was I really there, was I really there with you

We lived our little drama, we kissed in a field of white

And stars fell on Ala-bama last night

I can't forget the glamour, your eyes held a tender light

And stars fell on Ala-bama last night

I never planned in my imagin-ation a situ-ation so heaven-ly

A fairy land where no one else could enter, and in the center just you and me, dear

My heart beat like a hammer, my arms wound around you tight

And stars fell on Ala-bama last night

stars fell on Ala-bama last night

# SOME FUN OUT OF LIFE

When we want to love, we love,

when we want to kiss, we kiss

With a little petting,

we're getting

some fun out of life

When we want to work, we work,

when we want to play, we play

In a happy setting,

we're getting

some fun out of life

Maybe we do the right things,

maybe we do the wrong

Spending each day, wending our way

a - long

But when we want to sing, we sing,

when we want to dance, we dance

You can do your betting,

we're getting

some fun out of life

You can do your betting,

we're getting

some fun out of life
