

# ALWAYS LOOK ON THE BRIGHT SIDE OF LIFE

4/4 1...2...1234

-Eric Idle

Some things in life are bad, they can really make you mad

Other things can make you swear and curse

When you're chewing on life's gristle, don't grumble, give a whistle

And this'll help things turn out for the best, and...

Always look on the bright side of life

Always look on the light side of life

1. If life seems jolly rotten, there's something you've for-gotten

2. For life is quite ab-surd, and death's the final word

And that's to laugh and smile and dance and sing

You must always face the curtain with a bow

When you're feeling in the dumps, don't be silly, chumps

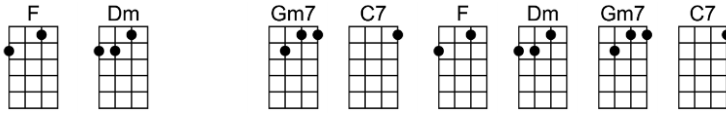

For-get about your sin, give the audience a grin

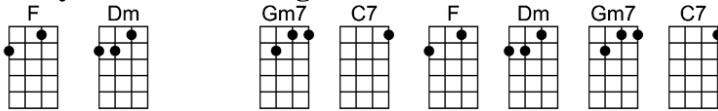

Just purse your lips and whistle, that's the thing, and...

En-joy it, it's your last chance any-how, so...

## p.2. Always Look On the Bright Side of Life

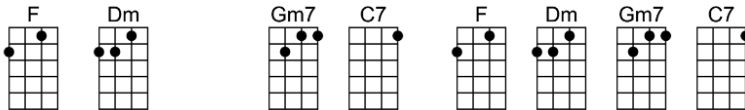

(1) Always look on the bright side of life

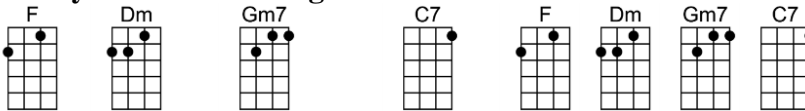

Always look on the light side of life

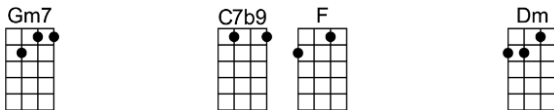

(2nd verse)

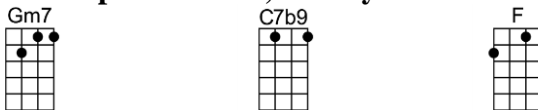

(2) Always look on the bright side of death

Just be-fore you draw your terminal breath

Life's a piece of s\*\*t, when you look at it

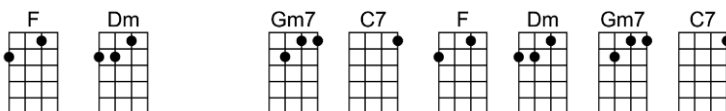

Life's a laugh and death's a joke it's true

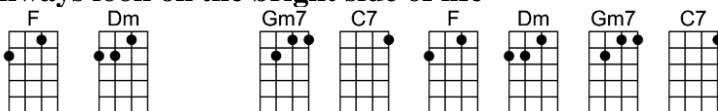

You'll see it's all a show, keep 'em laughin' as you go

Just re-mem-ber that the last laugh is on you, and...

Always look on the bright side of life

Always look on the light side of life

(repeat refrain and fade)
