Well, I'm ridin' a-long, singin' the same ol' cowboy song

That's been sung a hundred times be-fore

Ain't got nothin' but my name, and I'm the only man I know to blame

But I'm livin', I'm happy and I'm free

Just listen to the wind blow. Let it blow, let it blow, sand over my trail

I got my saddle on the ground, and that ol' moon, he can still be found

Hidin' in the desert sky

I like simple things in life, like a prairie breeze, a good stout horse be-tween my knees,

Just bein' alone, just bein' me

## p.2. Desert Skies

And when I die, let me die with a dream in my mind, a smile on my face and no troubles be-hind

And no cross on my grave to show my restin' place

( ) X4

So, I can listen to the wind blow. Let it blow, let it blow,

sand over my trail

I got my saddle on the ground, and that ol' moon, he can still be found

Hidin' in the desert sky

Interlude: Chords of the bridge, starting with the Dm7

( ) X7

Won't you bury me with my chaps on, and my six-gun strapped to my side

( ) X4

So I can watch the moon a-hidin' in the desert sky

( ) X4

Hidin' in the desert sky hidin' in the desert sky....

Hidin' in the desert sky
