

SING F#

I CAN HEAR MUSIC-Barry/Greenwich/Spector

1...2...1234

Intro:  (2 measures)
Ahhhhh,

This is the way I always dreamed it would be

The way that it is, oh oh, when you are holding me

I never had a love of my own. Maybe that's why when we're all alone

I can hear music, I can hear music.

The sounds of the city, baby, seem to disap-pear

I can hear music, sweet, sweet music,

Whenever you touch me, baby, when-ever you're near

Lovin' you, it keeps me satisfied. And, I can't ex-plain, oh no, the way I'm feeling in-side

You look at me, we kiss and then I close my eyes and here it comes again

p.2. I Can Hear Music

I can hear music, I can hear music.

The sounds of the city, baby, seem to disap-pear

I can hear music, sweet, sweet music,

Whenever you touch me, baby, when-ever you're near

I hear the music all the time, yeah. I hear the music, hold me tight now, baby

I hear the music all the time. I hear the music, I hear the music

Ahhhhh

I can hear music, I can hear music.

The sounds of the city, baby, seem to disap-pear

I can hear music, sweet, sweet music,

Whenever you touch me, baby, when-ever you're near

I CAN HEAR MUSIC-Barry/Greenwich/Spector
