

Hey Jude (V1.5) – The Beatles (1968)

Intro: C /{pause 2, 3 ..}

Hey Jude, don't make it bad, take a sad song and make it better
Remember to let her into your heart and then you can start to make it better

Hey Jude, don't be afraid, you were made to go out and get her
The minute you let her under your skin, then you begin
- to make it better

And anytime you feel the pain, hey Jude refrain,
Don't carry the world upon your shoulders
For well you know that it's a fool who plays it cool by making his world a little colder
Da da da Daa da Da da da Daa

Hey Jude, don't let me down, You have found her, now go and get her
Remember to let her into your heart, then you can start to make it better
So let it out and let it in hey Jude begin, you're waiting for someone
to perform with

And don't you know that it's just you, hey Jude you'll do ...
The movement you need is on your shoulders

Da da da Daa da Da da da Daa

Hey Jude, don't make it bad, take a sad song and make it better
Remember to let her under your skin and then you'll begin to make it ..
better, better, better, better, better, better, yeaaaaaaah
