

Happy Together

Gary Bonner, Alan Gordon

Imagine me and you – I do
I think about you day and night, it's only right
To think about the girl you love, and hold her tight, so happy together

If I should call you up, invest a dime
And you say you belong to me, and ease my mind
Imagine how the world could be, so very fine, so happy together

<chorus>

I can't see me loving nobody but you for all my life
When you're with me, baby the skies will be blue for all my life

Me and you, and you and me
No matter how they toss the dice, it had to be
The only one for me is you, and you for me, so happy together

<chorus> <last verse>

<chorus sung with "ba ba ba..."> <last verse>

So happy together....(ba ba ba ba) <repeat...>
