

Star Spangled Banner

Francis Scott Key, John Stafford Smith

Oh say can you see by the dawn's early light

What so proudly we hailed at the twilight's last gleaming

Whose broad stripes and bright stars through the perilous fight

O'er the ramparts we watched were so valiantly streaming?

And the rocket's red glare, the bombs bursting in air

Gave proof through the night that our flag was still there

Oh say does that star spangled banner yet wave

O'er the land of the free and the home of the brave?
