

# Go Rest High On That Mountain

Vince Gill

          D///     G/           D  
I know your life on earth was troubled  
          G                           D  
And only you could know the pain  
          G                           D  
You weren't afraid to face the devil  
          A7                           D  
You're no stranger to the rain

          D///     G/           D  
Go rest high           on that mountain  
          G                           D  
Son your work on earth is done  
          D///     G/           D  
Go to hea - ven a-shoutin'  
                         A7                           D  
Love for the Father and the Son

          D///     G/           D  
Oh, how we cried the day you left us  
          G                           D  
We gathered 'round your grave to grieve  
          G                           D  
Wish I could see the angels' faces  
          A7                           D  
When they hear your sweet voice sing

**<Chorus 2 times>   <Tag last 2 lines>**
