

Dream a Little Dream of Me

Andre, Schwandt, and Kahn

F// E7// Db7// C7//

Stars shining bright above you

F// Am// D7

Night breezes seem to whisper: I love you

Gm Bbm F// Db7/ C7/ F

Birds singing in the sycamore trees, dream a little dream of me

F// E7// Db7// C7//

Say nighty-night and kiss me

F// Am// D7

Just hold me tight and tell me you'll miss me

Gm Bbm F Db7/ C7/ F

While I'm alone and blue as can be, dream a little dream of me

D// Bm// G// A// D// Bm// G

Stars fading, but I linger on dear, still craving your kiss

D// Bm// G// A// D Db7// C7//

I'm longing to linger till dawn dear, just saying this

F// E7// Db7// C7//

Sweet dreams till sunbeams find you.

F// Am// D7

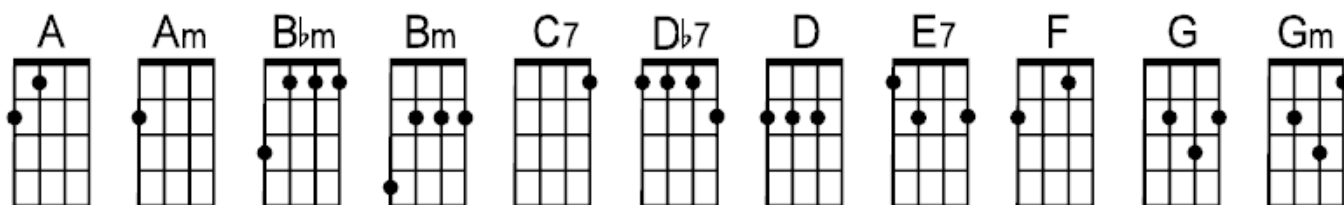

Sweet dreams that leave all worries far behind you

Gm Bbm F// Db7/ C7/ F

But in your dreams whatever they be, dream a little dream of me

<Chorus>

<fade out on verse singing : da-da-da...>

Released originally in 1931 by Ozzie Nelson, Dream a Little Dream of Me had as many as 7 simultaneously released recordings in 1950, with 2 of them reaching the Top 20. Michelle Phillips of the Mamas and The Papas convinced them to record the song which she knew because her father, while in Mexico City, was friends with the song's co-writer Fabian Andre.
