p.2. Stairway To the Stars

Interlude: First 2 lines

Let's build a stairway to the stars, and climb that stairway to the stars

Yes, we're climbin', climbin' to the stairway to the stars, stars, stars, stars

Sounds of vio-lins, way out yonder where the blue begins

The moon will guide us, as we go drift, drift, drifting a-long

Can't we sail a-way on a lazy daisy petal, over the rim of the hill?

Can't we sail a-way on a little dream, and settle high on the crest of a thrill?

Keep building the stairway to the stars, a lovely stairway to the stars

It would be heaven, heaven to climb with you.
