4/4 1...2...1234

How many roads must a man walk down before you call him a man?

How many seas must a white dove sail be-fore she sleeps in the sand?

How many times must the cannonballs fly before they're for-ever banned?

The answer, my friend, is blowin' in the wind, the answer is blowin' in the wind. (X2)

How many times must a man look up before he can see the sky?

How many ears must one man have be-fore he can hear people cry?

How many deaths will it take 'til he knows that too many people have died?

**p.2. Blowin' In the Wind**

The answer, my friend, is blowin' in the wind, the answer is blowin' in the wind. (X2)

How many years can a mountain exist before it is washed to the sea?

How many years can some people ex-ist be-fore they're al-lowed to be free?

How many times can a man turn his head and pretend that he just doesn't see?

The answer, my friend, is blowin' in the wind, the answer is blowin' in the wind. (X2)
