

JUNE NIGHT - Abel Baer/Cliff Friend

4/4

My skies are blue,

I'm happy too,

and all be-cause

I met you, dear

My heart's a-fire,

love, you in-spire.

I have but one de-sire:

Just give me a

June night, the

moon-light and you

In my arms

with all your charms, 'neath stars a-bove,

and we'll make love.

I'll hold you, en - fold you, then dreams will come true

So, give me

a June night,

the moonlight

and you.

Instrumental: First 2 lines of song ("Just give me...")

I'll hold you, en - fold you, then dreams will come true

So, give me

a June night,

the moonlight

and you.

So, give me

a June night,

the moonlight

and you.
